

WHITE & BLUE

THE OFFICIAL STUDENT PUBLICATION OF SAINT LOUIS UNIVERSITY

Guidelines and Provisions Regarding the Use of the Internet

The following guidelines shall be implemented regarding the use and access of the Internet connection in the White & Blue office:

I. Permitted Users

1. Only bonafide members of White & Blue for the current academic year can connect to the network.
2. Members who will be caught or found guilty of sharing the network outside of White & Blue shall be penalized according to the following occurrences of offenses:
 - a. First offense - warning.
 - b. Second offense - blocking the member from connecting to the internet for 1 week.
 - c. Third offense - blocking the member from connecting to the internet with a timetable depending on the Editorial Board decision.

II. Scope of Usage and Other Considerations

1. The internet shall only be used for White & Blue-related activities, including but not limited to the following:
 - a. Posting and editing of articles, reports, and anything related to information dissemination;
 - b. social media management;
 - c. creation of publication documents;
 - d. and communication purposes;
2. The use of the Internet shall be only limited to the members involved during live coverages.
3. The publication shall conduct proper maintenance of the networking device or equipment that the Technology Management and Development Department will provide.
4. The network access credentials shall be changed after the academic year or as prescribed by the Technology Management and Development Department (TMDD).
5. The publication shall adhere to the provisions of R.A. 10175 or the Cybercrime Prevention Act of 2012
6. The publication shall conform to any additional guidelines and provisions that will be provided by TMDD.

WHITE & BLUE

THE OFFICIAL STUDENT PUBLICATION OF SAINT LOUIS UNIVERSITY

7. The network should not be used for activities that may include harm to the network or committing cyber offenses, including but not limited to the following:
 - a. Defined cybercrime activities defined in Chapter II of R.A. 10175, such as illegal access and misuse of devices;
 - b. and online harassment or cyberbullying;
 8. Any member who will be caught or found guilty of violating the aforementioned provisions mentioned in No. 6 shall be penalized according to the Constitution-Bylaws of the publication or invocation of penalties stated in Chapter III of R.A. 10175.
 9. The TMDD has the right to revoke access rights from the publication upon failing to fulfill the responsibility to maintain the network according to the provisions stated in this guideline.
